Date: October 30, 2020

Dear Mountain Lakes Learning Community,

We have some updates to our “Grab and Go” lunch service at MLHS, Briarcliff and Wildwood schools.

Briarcliff and Wildwood

- **UPDATE:** We have expanded the Briarcliff and Wildwood menus! These menus can be found on our [interactive cafeteria menu](#), and also on the MLSD [website](#) under site shortcuts.
- BC & WW students will have the option to grab lunch at the end of the school day upon departure from school. Students will not be allowed to eat in the building (or on their bus).
- **Interested BC & WW students must place an order to receive lunch filling out this [GOOGLE FORM](#).** We encourage you to order lunch for the week. Daily orders will be accepted but must be submitted by 8:00am for your request to be processed for that day. Additionally, the Google form will be updated every Friday after 12:00pm for you to complete the following week’s order.

High School

- **UPDATE:** Lunch will be available to any upperclassman leaving the building at 11:50am upon departure from school.
- Lunch will be available for the rest of the student body at 12:30pm upon departure from school.
- Students will not be allowed to eat in the building (or on their bus).
- The High School weekly menu can be found on our [interactive cafeteria menu](#), and also on the MLHS [website](#) under site shortcuts. The cafeteria will also honor “made to order” requests. No advanced ordering is necessary.

Lastly, please make sure your child’s lunch account is replenished.

We hope you enjoy the Grab & Go lunch service.

Kind regards,

Michael J. Fetherman
